

# Placement Process at GJIMT

## Stage 1:

Company representatives share a mail with job description and eligibility criteria.

## Stage 2:

The eligible students apply for the company and Student profiles and other relevant details are shared with companies

## Stage 3:

The first screening is done by the company based on the resume and eligibility

## Stage 4:

Company conducts a Pre-Placements Talks to give in-dept information about them including the roles and profiles being offered

## Stage 5:

Company visits the campus with prior intimation

## Stage 6:

Companies conduct their selection process which typical comprises CV based short listing, group discussions, interviews and on site interviews

## Stage 7:

Final results are announced by the companies and Offer Letters are shared with TPC.
