## MASTER OF BUSINESS ADMINISTRATION PROGRAMME

# MBA PROGRAMME

Whether your goal is launching your own start-up, gaining the upper edge in a competitive job market, increasing your salary or climbing the business ladder, a Master of Business Administration (MBA) from GJIMT provides you the real-life and conceptual knowledge needed to become the master of your own future in business. GJIMT's MBA creates leaders and managers, capable of meeting current market challenges. The program focuses on decision making in uncertain environments, interpersonal and communication skills, ethics and social responsibility, and globalization. This approach allows our students to graduate with specialized expertise on how the digital and technological landscape is driving everything from organizational behaviour to industry, exploring phenomena like surveillance capitalism and digital media management.

## Curriculum Overview

## AIESEC Internship

GOING FOR AN INTERNSHIP TO EGYPT UNDER GJMT-AIESEC PROGRAMME WAS A LIFE CHANGING & THRILLING EXPERIENCE. TO SHARE ONE, THE LOCALS THERE CALLED ME "MAHARAJA" DUE TO MY TURBAN. - NOVJOT SINGH, BCA (2018-21)

## BCA PROGRAMME

With a degree in computer applications you can turn concepts like self-driving vehicle, smart tech wearable and holographic surgery into everyday realities. Nearly every industry needs digital technology to succeed, which means computer applications is full of opportunities in medicine, entertainment, aerospace, sports, green energy or heavy industry, just to start. By understanding the logic and algorithms that drive technology, you will begin to see opportunities everywhere.

## PROGRAMME OBJECTIVES

- Developing systems thinking and abstract thinking skills to analyze and synthesize data through extensive problem solving sessions.
- Aims to provide hands on practical experience for various hardware/software environments to enable technological adaptation.
- Enhance social interaction skills, communication skills, life skills, entrepreneurial skills and research skills which are necessary for career growth and for leading quality life.

## SCOPE FOR EMPLOYMENT

- A plethora of opportunities in application development, software testing & maintenance.
- Options to pursue MCA, M.Sc.(IT) & MBA.
- Work as system analysts and database administrators in IT enabled service sector.

Software Developer	Networking	Software Architect
Software Engineer	Games Programmer	Database Designer
Database Manager	Network Administrator	Web Development
Programming	Programming specialist	IT Project Manager

## CAREER DEVELOPMENT & PLACEMENT OPPORTUNITIES

**GJIMT offers** a strong industry exposure based teaching pedagogy. GJIMT has hosted well known IT companies during its placement process like Infosys, TCS, IBM etc. GJIMT's TPC (Training Placement Cell) works with a very remarkable approach to foster the student growth. We see learning as an ongoing process and we make efforts towards delivering the same from the very first day of campus induction.
