OFFICE MEMO

Date: 16 Dec/2024

To: Dr. Siddhartha Shyam Vyas, Associate Professor, Deptt. of Computer Application

From: Dr. Aneet Bedi (Director)

Subject: Preparation for VAC(Value Added Course): AI Tool

Dear Faculty Members,

We are excited to announce the upcoming VAC on **AI Tool**, which is set to begin on 07.01.2025. As part of the course preparations, we request that you develop the

1. **Course Syllabus**: Please prepare a detailed syllabus outlining the topics, learning objectives, and schedule for each module.
2. **Lesson Plan**: A comprehensive lesson plan for each class session, including the methods and techniques to be used, as well as any practical exercises or case studies.
3. **Study Material**: Kindly prepare relevant study materials, including presentation slides, reading resources, and any other materials that will help the students effectively learn the content.

Please ensure that the course content is well-structured and caters to the needs of the learners, providing them with both theoretical knowledge and hands-on experience. We would appreciate receiving the finalized syllabus, lesson plan, and study material by 02.01.2025.

Total Questions: 40 | Maximum Marks: 100 | Time: 60 minutes

- **Instructions:**
  - ✓ Each question carries 2.5 mark.
  - ✓ Select the most appropriate answer from the given options.
  - ✓ Negative Marking: For every incorrect answer, 1/4 of the marks for that question is deducted.

1. Which of the following is an AI-powered chatbot developed by OpenAI?
a) Siri
b) ChatGPT
c) Alexa
d) Cortana

2. **What AI tool is used for image generation?**
a) Google Docs
b) Photoshop
c) DALL·E
d) Notepad

3. Which AI tool is commonly used for natural language processing (NLP)?
a) BERT
b) TensorFlow
c) Excel
d) PowerPoint

4. Google's AI platform for machine learning is called?
a) AWS
b) Vertex AI
c) Watson
d) PyTorch

5. Which AI tool helps in automated code generation?
a) Sublime Text
b) GitHub Copilot
c) WordPress
d) Blender

6. Open-source machine learning library developed by Google is?
a) PyTorch
b) TensorFlow
c) Theano
d) Keras

7. IBM's AI-powered system for business applications is called?
a) Azure AI
b) Watson
c) Jupyter Notebook
d) AutoML

8. What AI-based tool can enhance low-resolution images?
a) Canva
b) Remini
c) GIMP
d) Audacity

9. Which AI tool is best for data visualization?
a) Tableau
b) Jupyter Notebook
c) Notion
d) AutoML

10. Which AI-based tool is used for speech recognition?
a) Photoshop
b) DeepSpeech
c) AutoCAD
d) Blender

11. Which deep learning framework is primarily used for research?
a) PyTorch
b) TensorFlow
c) Keras
d) FastAI

12. What AI tool specializes in hyperparameter optimization?
a) Optuna
b) Canva
c) Looka
d) Audacity

13. Which AI tool is most commonly used for automated A/B testing?
a) Google Optimize
b) Grammarly
c) AutoCAD
d) Photoshop

14. What AI-powered search engine enhances search results based on natural language queries?
a) Perplexity AI
b) Bing
c) Yahoo
d) Baidu

15. What AI-powered tool is known for AI-driven copywriting?
a) Jasper AI
b) Google Docs
c) AutoML
d) Smart Reply

16. Which AI model is used for image segmentation tasks?
a) Mask R-CNN
b) YOLO
c) GPT-4
d) ResNet

17. Which AI-powered tool is used for automated workflow automation?
a) Zapier
b) Notion
c) Excel
d) AutoML

18. What AI-based tool helps in generative music creation?
a) OpenAI MuseNet
b) AIVA
c) TensorFlow
d) DeepFaceLab

19. Which AI tool is best suited for extracting text from images?
a) Tesseract OCR
b) GitHub Copilot
c) Grammarly
d) Canva

20. What AI-powered tool assists in detecting cyber threats?
a) Darktrace
b) Synthesia
c) Jupyter Notebook
d) Tableau

21. Which AI model is designed for large-scale multi-modal learning?
a) CLIP
b) BERT
c) ResNet
d) GPT-3

22. What AI framework is used for reinforcement learning?
a) Stable-Baselines3
b) PyTorch
c) OpenCV
d) Watson

23. Which AI tool can help in protein folding predictions?
a) AlphaFold
b) DeepDream
c) AutoML
d) PowerPoint

24. What AI-based tool is used for neural architecture search (NAS)?
a) AutoKeras
b) OpenAI Gym
c) DeepFaceLab
d) Face++

25. Which AI technique is best suited for anomaly detection in large datasets?
a) Isolation Forest
b) GANs
c) LSTMs
d) VAE

26. Which AI model specializes in text-to-image synthesis?
a) Stable Diffusion
b) GPT-4
c) YOLO
d) BERT

27. Which AI-based tool is used for robotic process automation (RPA)?
a) UiPath
b) Canva
c) Blender
d) PowerPoint

28. What AI tool assists in generating 3D models from text descriptions?
a) DreamFusion
b) GitHub Copilot
c) Resemble AI
d) AIVA

29. What AI model is known for solving code-based problems?
a) AlphaCode
b) GPT-4
c) BERT
d) DeepFaceLab

30. Which AI-powered tool is used for AI-generated storytelling?
a) Sudowrite
b) Grammarly
c) Google Translate
d) Darktrace

31. What AI tool assists in AI-based recommendation systems?
a) Amazon Personalize
b) TensorFlow
c) Canva
d) Grammarly

32. Which AI framework is commonly used for edge computing AI models?
a) TensorFlow Lite
b) OpenCV
c) PyTorch
d) AutoML

33. What AI model helps in generating synthetic human speech?
a) Tacotron 2
b) DeepFaceLab
c) GPT-3
d) Watson

34. Which AI tool is best suited for generating deepfake voices?
a) Descript Overdub
b) Resemble AI
c) Jasper AI
d) TLDRThis

35. What AI-based tool can predict financial market trends?
a) Kavout
b) Canva
c) DeepSpeech
d) GitHub

36. What AI-powered model is widely used for AI video editing?
a) Runway ML
b) Notion
c) Excel
d) PyTorch

37. Which AI framework is best suited for self-driving car simulations?
a) CARLA
b) TensorFlow
c) Jupyter Notebook
d) YOLO

38. Which AI-based tool is used for analyzing stock market sentiment?
a) FinBERT
b) Excel
c) Tableau
d) Photoshop

39. What AI tool helps in designing neural networks without coding?
a) Lobe
b) WordPress
c) GitHub Copilot
d) DeepFaceLab

40. What AI framework is used for efficient distributed training of ML models?
a) Horovod
b) AutoML
c) Jupyter Notebook
d) Grammarly

OFFICE MEMO

Date: 16/Dec/2024

To: Dr. Divya Chopra, Assistant Professor, Department of Computer Application

From: Dr. Aneet Bedi (Director)

Subject: Preparation for VAC(Value Added Course): Angular Software

Dear Faculty Members,

We are excited to announce the upcoming VAC on **Angular Software**, which is set to begin on 07.01.2025. As part of the course preparations, we request that you develop the

1. **Course Syllabus**: Please prepare a detailed syllabus outlining the topics, learning objectives, and schedule for each module.
2. **Lesson Plan**: A comprehensive lesson plan for each class session, including the methods and techniques to be used, as well as any practical exercises or case studies.
3. **Study Material**: Kindly prepare relevant study materials, including presentation slides, reading resources, and any other materials that will help the students effectively learn the content.

Please ensure that the course content is well-structured and caters to the needs of the learners, providing them with both theoretical knowledge and hands-on experience. We would appreciate receiving the finalized syllabus, lesson plan, and study material by 02.01.2025.

From: Dr. Aneet Bedi (Director)

Subject: Preparation for VAC(Value Added Course): PowerBI

Dear Faculty Members,

We are excited to announce the upcoming VAC on **Power BI**, which is set to begin on 07.01.2025. As part of the course preparations, we request that you develop the

1. **Course Syllabus**: Please prepare a detailed syllabus outlining the topics, learning objectives, and schedule for each module.
2. **Lesson Plan**: A comprehensive lesson plan for each class session, including the methods and techniques to be used, as well as any practical exercises or case studies.
3. **Study Material**: Kindly prepare relevant study materials, including presentation slides, reading resources, and any other materials that will help the students effectively learn the content.

Please ensure that the course content is well-structured and caters to the needs of the learners, providing them with both theoretical knowledge and hands-on experience. We would appreciate receiving the finalized syllabus, lesson plan, and study material by 02.01.2025.

Total Questions: 40 | Maximum Marks: 100 | Time: 60 minutes

- **Instructions:**

✓ Each question carries 2.5 mark.
✓ Select the most appropriate answer from the given options.
✓ Negative Marking: For every incorrect answer, 1/4 of the marks for that question is deducted.

1. What is the main purpose of Power BI?
   a) Data entry
   b) Data visualization and reporting
   c) Data analysis only
   d) Programming and development

2. Which of the following is a Power BI component used for creating reports?
   a) Power Query
   b) Power Pivot
   c) Power BI Desktop
   d) Power BI Service

3. Which of the following can be used to connect to a data source in Power BI?
   a) SQL Server
   b) Excel
   c) Web data
   d) All of the above

4. Which DAX function is used to sum a column in Power BI?
   a) SUMX()
   b) SUM()
   c) COUNT()
   d) AVERAGE()

5. What is the function of "Power Query" in Power BI?
   a) For creating reports
   b) For connecting to external data sources

c) For cleaning and transforming data
d) For sharing reports

6. What is the default file extension of Power BI reports?
   a) .pbix
   b) .pbi
   c) .xlsx
   d) .csv

7. Which of the following visuals can be used in Power BI to compare values across categories?
   a) Line Chart
   b) Bar/Column Chart
   c) Scatter Plot
   d) Pie Chart

8. What is the DAX function to calculate the year-to-date (YTD) value of a measure?
   a) TOTALYTD()
   b) YEARTODATE()
   c) YTD()
   d) DATEADD()

9. In Power BI, which visual is ideal for displaying hierarchical data?
   a) Tree Map
   b) Scatter Plot
   c) Line Chart
   d) Card

10. What is the purpose of "Power BI Service"?
    a) To connect to data sources
    b) To create reports
    c) To share, collaborate, and publish reports
    d) To transform data

11. Which DAX function calculates the running total in Power BI?
    a) CALCULATE()
    b) SUM()
    c) TOTALYTD()
    d) EARLIER()

12. How can you filter data in a Power BI report?
    a) By creating a slicer
    b) By using the filter pane
    c) By using the visual filter options
    d) All of the above

13. What is the role of "Power Pivot" in Power BI?
    a) Data transformation
    b) Data modeling and creating relationships
    c) Report creation
    d) Data sharing

14. Which of the following features can be used to schedule data refreshes in Power BI?
    a) Power Query
    b) Data Gateway
    c) Power BI Desktop
    d) Power BI Service

15. Which of the following is not a type of relationship in Power BI?
    a) One-to-Many
    b) Many-to-One
    c) One-to-One
    d) Two-to-Two

16. Which Power BI component allows you to create dashboards and reports and publish them to the cloud?
    a) Power BI Desktop
    b) Power BI Service
    c) Power Query
    d) Power Pivot

17. What does the "What-If" parameter in Power BI allow you to do?
    a) Create simulations of different scenarios based on variable inputs
    b) Predict future values of a measure
    c) Optimize data models
    d) Share reports with others

18. What is the purpose of "Bookmarks" in Power BI?
    a) To create a backup of reports
    b) To track data changes
    c) To save a specific view of a report for later use
    d) To format data

19. Which type of visual in Power BI would you use to display relationships between numerical values and categories?
    a) Line Chart
    b) Matrix
    c) Bar/Column Chart
    d) Scatter Plot

20. In Power BI, which type of chart is most suitable for showing trends over time?
    a) Bar Chart
    b) Line Chart
    c) Pie Chart
    d) Tree Map
21. Which DAX function is used to filter a table based on a condition?
    a) FILTER()
    b) CALCULATE()
    c) ALL()
    d) SUM()
22. What is a "Card" visual used for in Power BI?
    a) To display a single number or measure
    b) To display a comparison between categories
    c) To filter data
    d) To map geographical data
23. Which Power BI feature allows for collaboration and sharing of reports across users?
    a) Power BI Desktop
    b) Power BI Service
    c) Power Pivot
    d) Power Query
24. Which of the following is used to perform data cleaning in Power BI?
    a) Power Pivot
    b) Power Query
    c) Power BI Service
    d) Power View
25. How do you add a new column in Power BI using DAX?
    a) Using the "Add Column" option in Power Query
    b) Using the "New Column" option in Data View
    c) Using "Add Data" in Power BI Service
    d) Using "Manage Data" in Power BI Desktop
26. What is the default storage mode for Power BI datasets?
    a) Import
    b) DirectQuery
    c) Live Connection
    d) Composite
27. Which of the following is used to transform data in Power BI?
    a) Power Query Editor
    b) Data Model
    c) Power Pivot
    d) Power BI Service
28. Which DAX function is used to find the average value of a column in Power BI?
    a) AVG()
    b) AVERAGE()
    c) MEAN()
    d) SUMX()

29. How do you create a relationship between two tables in Power BI?
    a) By using DAX
    b) By using Power Query Editor
    c) By dragging and dropping fields in the "Model" view
    d) By importing the data

30. In Power BI, which of the following allows you to visually represent geographical data?
    a) Tree Map
    b) Map
    c) Waterfall Chart
    d) Bar Chart

31. Which Power BI feature helps in analyzing trends using historical data?
    a) Time Intelligence functions
    b) Power Pivot
    c) Power Query Editor
    d) Power BI Service

32. What is the purpose of using "Data Models" in Power BI?
    a) To format visuals
    b) To structure data for analysis and visualization
    c) To clean data
    d) To create dashboards

33. Which visualization can show the distribution of data across categories in Power BI?
    a) Pie Chart
    b) Matrix
    c) Scatter Plot
    d) Column Chart

34. Which of the following is true about DirectQuery in Power BI?
    a) Data is imported into Power BI
    b) Data remains in the source system and is queried in real-time
    c) Data cannot be refreshed
    d) Data is stored in Power BI Service

35. Which of the following is an example of a "Time Intelligence" function in Power BI?
    a) DATEDIFF()
    b) DATEADD()
    c) YEAR()
    d) ALL()

36. What is a "Measure" in Power BI?
    a) A data transformation
    b) A calculated field that performs calculations on data

c) A filter applied to the data
d) A visual element in a report

37. Which option is used to share a Power BI report with others?
a) Power BI Desktop
b) Power BI Service
c) Power Query Editor
d) Power Pivot

38. What is the maximum number of data sources that can be connected to Power BI at once?
a) One
b) Ten
c) Unlimited
d) Depends on the data model

39. How can you modify the properties of a visual in Power BI?
a) By clicking on the visual and using the formatting pane
b) By editing the data model
c) By using Power Query
d) By modifying the DAX expression

40. Which of the following is a Power BI feature that enables users to build and deploy machine learning models?
a) Power BI Service
b) Azure Machine Learning integration
c) Power Query
d) Power Pivot

From: Dr. Aneet Bedi (Director)

Subject: Preparation for VAC(Value Added Course): Tally

Dear Faculty Members,

We are excited to announce the upcoming VAC on **Tally**, which is set to begin on 07.01.2025. As part of the course preparations, we request that you develop the

1. **Course Syllabus**: Please prepare a detailed syllabus outlining the topics, learning objectives, and schedule for each module.
2. **Lesson Plan**: A comprehensive lesson plan for each class session, including the methods and techniques to be used, as well as any practical exercises or case studies.
3. **Study Material**: Kindly prepare relevant study materials, including presentation slides, reading resources, and any other materials that will help the students effectively learn the content.

Please ensure that the course content is well-structured and caters to the needs of the learners, providing them with both theoretical knowledge and hands-on experience. We would appreciate receiving the finalized syllabus, lesson plan, and study material by 02.01.2025.
