ENTREPRENEURIAL LEADERSHIP:

Nurturing Innovation and Growth

June 14, 2024 (Friday)

ABOUT THE CONFERENCE

GJIMT is hosting its 20th National Conference on the theme "Entrepreneurial Leadership: Nurturing Innovation and Growth". The conference is held every year to make it an ideal platform for people to share views and experiences in Business Management & Commerce, Finance & Economics, Social Sciences & Humanities and Technology related areas.

In today's dynamic and rapidly evolving business landscape, the role of entrepreneurial leadership has become more critical than ever. As organizations navigate through unprecedented challenges and opportunities, the ability to foster innovation and drive growth has emerged as a key determinant of success. Entrepreneurial leadership goes beyond traditional management approaches, emphasizing a proactive and forward-thinking mindset that encourages creativity, risk-taking, and adaptability.

At the heart of entrepreneurial leadership is the recognition that innovation is the lifeblood of sustained success. In an era marked by technological disruption, globalization, and changing consumer preferences, businesses must constantly reinvent themselves to stay relevant. Entrepreneurial leaders understand the imperative of embracing change and view challenges as opportunities for innovation. They create a culture that values experimentation, welcomes new ideas, and empowers employees to think outside the box.

One of the primary reasons why entrepreneurial leadership matters in today's world is its capacity to drive economic growth. In a global economy characterized by fierce competition, countries and companies alike are seeking ways to differentiate themselves and spur economic development. Entrepreneurial leaders play a pivotal role in this process by fostering a culture of entrepreneurship within their organizations. By empowering employees to take risks and pursue innovative ideas, they contribute to the creation of new products, services, and business models that stimulate economic activity and job creation.

Moreover, entrepreneurial leadership is closely tied to the concept of resilience. The ability to adapt to change and navigate uncertainty is crucial for survival in today's volatile business environment. Entrepreneurial leaders excel at turning setbacks into opportunities and viewing failures as learning experiences. Their resilience inspires confidence among team members, fostering a positive and can-do attitude that is essential for overcoming challenges.

In addition to resilience, entrepreneurial leadership is characterized by a strong focus on vision and strategic thinking. Successful leaders not only navigate the current business landscape but also anticipate future trends and position their organizations to capitalize on emerging opportunities. They possess a keen ability to identify market gaps, envision innovative solutions, and mobilize resources to turn their vision into reality. This forward-looking approach is instrumental in staying ahead of the competition and positioning the organization for sustained success.

In conclusion, "Entrepreneurial Leadership: Nurturing Innovation and Growth" is not just a conference; it's an invitation to be part of a movement. A movement that values bold ideas, embraces change, and sees challenges as opportunities for growth. Join us in exploring the frontiers of entrepreneurial leadership, where innovation is nurtured, and growth knows no bounds. Your presence and contribution will enrich the conversation, and together, we will inspire the next generation of visionary leaders. Welcome to a conference that goes beyond the ordinary, where entrepreneurial spirit takes center stage.

Dear Dr. (Maj.) Deepak Bhatia,

Greetings from the 20th GJ-NatConMITE 2024!

I hope this letter finds you well. It is with great pleasure that we extend an invitation to you to be the Chief Guest at the upcoming **20th National Conference GJ-NatConMITE 2024** (<https://www.gjimt.ac.in/nationalconference2024/>), scheduled to take place on **June 14 (Friday)** in online mode. We hold you in high esteem for your significant contributions to the field of Education, and your presence as our Chief Guest and Keynote Speaker would add immense value to our event.

Conference Theme:

The theme of this year's conference is **"Entrepreneurial Innovation: Nurturing Innovation and Growth"**. The conference is an ideal platform where practitioners, academicians, researchers and students can meet and deliberate upon the benefits of entrepreneurial leadership. Throughout the event, expert speakers from diverse fields will share insights on fostering innovation for smart solutions, promoting inclusivity across various sectors, and advancing sustainable practices to shape a brighter future. Engage in thought-provoking discussions, discover groundbreaking technologies, and network with professionals who share a passion for driving positive change. This theme has been carefully chosen to address the current challenges and opportunities in the industry and to foster meaningful discussions among the participants.

Number of Participants:

We anticipate an audience of approximately 200 participants, including researchers, academics, professionals, and students from all over India and abroad. The diverse backgrounds and expertise of our participants will undoubtedly contribute to the richness of the conference discussions.

Outreach and Impact:

Our conference has gained significant traction in recent years, and we expect a broad reach through various channels, including social media, live streaming, and post-conference publications with reputed journals and ISBN Edited Book with Cambridge Scholars Publishing Limited. Your association with our event would undoubtedly enhance its visibility and impact within the field of Management.

Your Role:

As our Chief Guest and Keynote Speaker, we would be honored if you could deliver the Keynote Speech, sharing your insights and thoughts on the conference theme. Your wealth of experience and profound understanding of the theme would undoubtedly inspire and motivate our participants.

We understand the demands on your time and appreciate your consideration of this invitation. Your presence would not only elevate the conference but also make a lasting impact on the participants.

Kindly confirm your availability by today evening so that we can make the necessary arrangements for your participation. If you have any questions or require additional information, please feel free to contact our conference coordinator, Dr. Bushra S. P. Singh, at gjncm24@gmail.com or +91-95306-65864.

Thank you for considering our invitation, and we look forward to the possibility of welcoming you as our esteemed Chief Guest and Keynote Speaker.

Warm regards,

Dr. Aneet Bedi

Leadership Development in the Age of Disruption

18th
GJ-Int Con MITE
2024

December 20th 2024 (Friday)

About the CONFERENCE

GIJMT is hosting its 18th International Conference on the theme "Leadership Development in the Age of Disruption". The conference is held every year to make it an ideal platform for people to share views and experiences in Business Management & Commerce, Finance & Economics, Social Sciences & Humanities and Technology related areas. In the turbulent waters of the 21st century, leadership faces unprecedented challenges. The landscape of business, technology, politics, and society is continually reshaped by rapid advances, global interconnectedness, and unforeseen disruptions. As we find ourselves navigating through this age of disruption, the importance of effective leadership development becomes ever more pronounced. It is in this dynamic context that we convene for a multi-disciplinary exploration of Leadership Development in the Age of Disruption.

The fabric of leadership is woven from a myriad of disciplines, each thread contributing to the tapestry of effective leadership in unique ways. From psychology to economics, sociology to technology, philosophy to politics, the multifaceted nature of leadership development requires a holistic approach that transcends disciplinary boundaries. It is through the synergy of diverse perspectives that we can glean insights, strategies, and frameworks to equip leaders with the tools necessary to thrive amidst disruption.

At the heart of our conference lies the recognition that disruption is not merely a challenge to be overcome but an opportunity for growth, innovation, and transformation. In this flux of change, traditional paradigms are challenged, and new possibilities emerge. Leaders must possess the vision to navigate uncertainty, the agility to adapt to shifting landscapes, and the resilience to weather storms while steering their organizations towards sustainable success.

The journey of leadership development in the age of disruption is characterized by both complexity and paradox. It demands a delicate balance between stability and change, tradition and innovation, hierarchy and collaboration. Leaders must embrace ambiguity, ambiguity, and ambiguity and complexity, fostering cultures of learning, experimentation, and inclusivity that empower individuals and organizations to thrive in uncertain times.

Moreover, effective leadership in the age of disruption extends beyond the confines of the corporate boardroom. It encompasses a broader societal dimension, addressing pressing global challenges such as climate change, social inequality, and geopolitical instability. Leaders are called upon not only to drive economic growth but also to foster sustainable development, ethical governance, and social responsibility.

In light of these multifaceted challenges, our conference aims to foster dialogue, collaboration, and knowledge exchange across diverse disciplines. We invite scholars, practitioners, policymakers, and thought leaders from around the world to engage in a dynamic exchange of ideas, insights, and best practices. Through keynote speeches, panel discussions, workshops, and networking sessions, we seek to explore the following themes:

- **Leadership in Times of Uncertainty:** How can leaders cultivate resilience, adaptability, and emotional intelligence in the face of uncertainty and volatility?
- **Innovation and Disruption:** What role do creativity, innovation, and disruptive technologies play in shaping the future of leadership?
- **Ethics and Values:** How can leaders uphold ethical principles, integrity, and corporate social responsibility amidst competing interests and pressures?
- **Diversity, Equity, and Inclusion:** Why is diversity, equity, and inclusion essential for effective leadership, and how can organizations foster a culture of belonging?
- **Global Leadership and Geopolitical Dynamics:** What are the implications of geopolitical shifts, global trends, and cultural differences for leadership development on a global scale?
- **Learning and Development:** How can organizations facilitate continuous learning, skill development, and talent management to nurture the next generation of leaders?

As we embark on this intellectual journey together, let us embrace the spirit of inquiry, collaboration, and innovation. Let us challenge assumptions, explore new horizons, and envision bold possibilities for leadership in the age of disruption. Together, we can illuminate the path forward and empower leaders to navigate the complexities of our ever-evolving world.

DETAILED REPORT – 18th GJ-IntConMITE 2024

Theme: *Leadership Development in the Age of Disruption*

Date: December 20, 2024

Mode: Hybrid

The 18th International Conference – GJ-IntConMITE 2024 was successfully organized by Gian Jyoti Institute of Management and Technology (GJIMT) on December 20, 2024. The conference focused on the theme “*Leadership Development in the Age of Disruption*,” addressing the evolving nature of leadership in response to global disruptions, technological advancements, and the fast-changing business environment.

Keynote Speaker:

The conference commenced with an insightful keynote speech by Dr. Yanki Hartijasti, Associate Professor, Faculty of Business & Economics, Universitas Indonesia. Dr. Hartijasti provided a comprehensive overview of leadership challenges and opportunities in the current era of disruption. She emphasized the importance of adaptive leadership, decision-making agility, and resilience in leading organizations through turbulent times. Her presentation set the tone for the conference discussions, offering valuable perspectives on how leaders can navigate the complexities of today’s dynamic environment.

Sessions and Chairpersons:

The conference included several sessions on leadership and management in the age of disruption. The sessions were moderated by the following distinguished session chairs:

- Dr. Neha Gulati, Assistant Professor, UBS, Panjab University, chaired one of the key sessions. Dr. Gulati's expertise in business leadership added depth to the discussions, guiding participants through the complexities of leadership development in uncertain environments.
- Dr. Neeraj Sharma, Dean (Academics), GJIMT, chaired another session, providing valuable insights into the academic perspectives on leadership development. Dr. Sharma's session focused on the role of educational institutions in shaping the leadership skills necessary to thrive in disruptive business environments.
- Dr. Tarandeep Singh, Associate Professor, GJIMT, also chaired a session. His session concentrated on the application of leadership theories and their relevance in contemporary business contexts, particularly in response to rapid technological advancements and global disruptions.

Participants:

The conference was attended by 54 students from various classes, engaging actively in the sessions and discussions. The students had the opportunity to interact with the keynote speaker and session chairs, gaining valuable insights into leadership strategies in disruptive

times. The online mode allowed participants to join from various geographical locations, enriching the overall experience with diverse perspectives.

Conclusion:

The 18th International Conference – GJ-IntConMITE 2024 proved to be an invaluable platform for discussing the evolving landscape of leadership. The keynote speaker, session chairs, and participants contributed to a productive dialogue about how leadership can be developed and refined in the face of global disruptions. The event facilitated critical discussions on leadership adaptability, innovation, and growth, and highlighted the role of education and research in preparing future leaders for challenges in the modern business world.

The successful organization of this event is a testament to GJIMT's commitment to providing students and academics with opportunities for intellectual engagement and professional growth in the field of leadership and management.

Subject: Invitation as Resource Person for Workshop on "Foundations of Research: An Introductory Workshop on Methodology"

Dear Dr. Tejinderpal Singh,

Greetings from Gian Jyoti Institute of Management and Technology!

We are pleased to invite you as the Keynote Speaker for the workshop titled "Foundations of Research: An Introductory Workshop on Methodology," scheduled to be held on January 22, 2025, at our institute. This workshop aims to provide students, researchers, and academicians with fundamental insights into research methodology, covering essential aspects such as research design, data collection techniques, literature review strategies, and ethical considerations in research.

Your expertise in research methodology and extensive academic contributions would greatly enrich the session and provide valuable guidance to the participants. We would be honored to have you share your insights and engage with the attendees.

We kindly request you to confirm your availability at your earliest convenience. Should you require any further details regarding the event, please feel free to contact us at 99144-33199.

We look forward to your positive response and to the privilege of hosting you at our institution.

Warm regards,

DETAILED REPORT

Foundations of Research: An Introductory Workshop on Methodology

Date: January 22, 2025

Venue: Conference Room

Time: 9:00 AM onwards

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) successfully conducted a workshop titled "Foundations of Research: An Introductory Workshop on Methodology" on January 22, 2025. The objective of the workshop was to provide participants with a foundational understanding of research methodology, including essential topics like research design, data collection techniques, literature review strategies, and ethical considerations in conducting research.

Resource Person

The workshop was conducted by Dr. Tejinderpal Singh, Associate Professor at the University Business School (UBS), Panjab University. Dr. Singh has extensive experience in research methodology and shared his expertise with the attendees, guiding them through the key aspects of conducting academic research.

Objectives of the Workshop

The workshop was designed to:

- Introduce participants to the fundamental principles of research methodology.
- Explain different research designs and how to choose the appropriate design for specific research questions.
- Highlight various data collection techniques such as surveys, interviews, and case studies.
- Discuss strategies for conducting a literature review and evaluating the quality of existing research.
- Focus on the ethical considerations involved in conducting research, ensuring that the research process is conducted with integrity and responsibility.

Sessions and Activities

The workshop began at 9:00 AM with an introduction to the importance of research methodology in academic work. Dr. Tejinderpal Singh then proceeded to explain various research designs and their applicability in different contexts. The session was highly interactive, with attendees asking questions and engaging in discussions related to their own research experiences.

Dr. Singh also covered practical aspects of data collection techniques, focusing on their advantages, limitations, and the best practices for data management. One of the key takeaways from this session was the emphasis on the importance of ethics in research, particularly the need for transparency, honesty, and the protection of participants' rights.

Attendance

A total of 46 students attended the workshop, including students from various departments and disciplines. The students actively participated in the discussions, and the feedback received indicated that they found the workshop to be highly informative and valuable for their academic research pursuits.

Conclusion

The “Foundations of Research: An Introductory Workshop on Methodology” was successfully conducted, with 46 students benefiting from the insights shared by Dr. Tejinderpal Singh. The workshop met its objectives by providing participants with a solid foundation in research methodology, preparing them for future academic endeavors. The interactive nature of the workshop allowed for meaningful engagement, and participants left with a deeper understanding of the key components of conducting effective research.

Dear Dr. Soni,

Subject: Invitation to be a Resource Person at the Workshop on Advanced Data Analysis using SPSS

I hope this letter finds you well.

On behalf of the organizing committee, I am pleased to invite you as a distinguished resource person for the upcoming Workshop on Advanced Data Analysis using SPSS to be held on 20th February 2025 at Gian Jyoti Institute of Management and Technology (GJIMT), Chandigarh.

We believe that your expertise and experience in data analysis and SPSS will add immense value to the workshop, providing our participants with valuable insights and practical knowledge. The workshop will focus on advanced techniques and applications of SPSS in data analysis, and we are confident that your session will be a highlight of the event.

We would be honored to have you share your expertise with our attendees, and we hope you can grace the occasion as a resource person. Please let us know if you require any additional details or support to facilitate your participation.

We look forward to your positive response and to welcoming you to our workshop.

Thank you for considering our invitation.

Warm regards,

DETAILED REPORT

"Workshop on Advanced Data Analysis Using SPSS"

Date: February 20, 2025

Venue: Conference Room

Time: 9:00 AM onwards

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) successfully organized a workshop on "Advanced Data Analysis Using SPSS" on February 20, 2025. The workshop aimed to enhance participants' skills in data analysis and interpretation using SPSS, a widely used software tool in statistical analysis.

Resource Person

The workshop was conducted by Dr. Pooja Soni, Assistant Professor at the University Business School (UBS), Panjab University. Dr. Soni is an expert in data analysis techniques and has extensive experience in applying SPSS for various research purposes. Her session provided invaluable insights into advanced methods of data analysis.

Objectives of the Workshop

The primary objectives of the workshop were to:

- Introduce participants to advanced features and functionalities of SPSS.
- Provide hands-on training in data analysis, covering topics such as regression analysis, ANOVA, and factor analysis.
- Enable participants to interpret and present their data findings in a clear and coherent manner.
- Teach the practical application of SPSS for research purposes, improving the participants' ability to analyze complex datasets.

Sessions and Activities

The workshop began at 9:00 AM, with Dr. Pooja Soni providing a brief introduction to the SPSS software, explaining its role in data analysis. She then guided the participants through the process of uploading and preparing data for analysis. The session was interactive, with participants actively engaging in discussions and practical exercises.

Dr. Soni covered various advanced data analysis techniques, such as:

- Regression Analysis: Participants were shown how to analyze the relationship between variables and predict outcomes.
- Analysis of Variance (ANOVA): The technique was explained in detail, demonstrating how to compare means among groups and test hypotheses.

- Factor Analysis: Dr. Soni walked the participants through the process of identifying underlying factors that influence data patterns.

Throughout the session, Dr. Soni emphasized the importance of accurate interpretation of results and demonstrated how to present findings in clear graphical representations and reports. Participants were given the opportunity to work on datasets and practice using the discussed techniques.

Attendance

A total of 34 students attended the workshop. The participants were primarily from the fields of management, business studies, and social sciences, with a keen interest in enhancing their data analysis skills. The students engaged actively during the practical sessions, solving problems and asking questions related to the application of SPSS in their research.

Conclusion

The “Advanced Data Analysis Using SPSS” workshop was successfully conducted, and the feedback from participants was overwhelmingly positive. The hands-on approach and practical demonstrations provided participants with the necessary skills to perform advanced data analysis using SPSS. 34 students attended the workshop and left with enhanced knowledge of statistical analysis techniques and the ability to apply them in their research work.

This workshop served as an essential learning experience for students seeking to improve their data analysis capabilities and has contributed significantly to their academic development.

Dear Dr. Suri,

Subject: Invitation to be a Resource Person at the Workshop "From Classroom to Boardroom: Preparing Future Entrepreneurs"

I hope you are doing well.

I am writing to extend a cordial invitation to you to be a distinguished resource person at our upcoming workshop titled "From Classroom to Boardroom: Preparing Future Entrepreneurs," scheduled for 6th March 2025 at Gian Jyoti Institute of Management and Technology (GJIMT).

As an expert in entrepreneurship education, we believe that your vast knowledge and experience would greatly benefit the participants. This workshop aims to bridge the gap between academic learning and practical business skills, and your insights on entrepreneurial strategies, leadership, and transitioning from academic to professional settings would be invaluable for our future entrepreneurs.

We would be honored to have you share your expertise with our attendees and inspire them toward their entrepreneurial journeys. Kindly let us know if you require any further details or assistance regarding the event.

We eagerly await your confirmation and hope to welcome you as a resource person at the workshop.

Thank you for considering our invitation.

Warm regards,

DETAILED REPORT

Workshop on “From Classroom to Boardroom: Preparing Future Entrepreneurs”

Date: March 6, 2025

Venue: GJIMT Auditorium

Time: 9:00 AM onwards

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) successfully organized the workshop “From Classroom to Boardroom: Preparing Future Entrepreneurs” on March 6, 2025. The workshop aimed to equip aspiring entrepreneurs with the essential knowledge, skills, and strategies required to transition from academic learning to effective business leadership and entrepreneurship.

Resource Person

The workshop was conducted by Dr. Gunmala Suri, Professor at the University Business School (UBS), Panjab University. Dr. Suri, an experienced academician and business expert, has a deep understanding of entrepreneurship and business development. She provided valuable insights and guidance on how students can bridge the gap between classroom learning and the real-world business environment.

Objectives of the Workshop

The main objectives of the workshop were to:

- Provide students with practical knowledge about entrepreneurship, including business planning and strategy development.
- Equip participants with essential leadership skills and decision-making tools to thrive as future business leaders.
- Discuss the challenges faced by entrepreneurs in the early stages of business development and strategies for overcoming them.
- Guide students on how to make the transition from theoretical knowledge to practical business application in the real world.

Sessions and Activities

The workshop commenced at 9:00 AM in the GJIMT Auditorium, with an opening session by Dr. Gunmala Suri, who introduced the key concepts of entrepreneurship and the importance of the transition from classroom education to real-world business. She emphasized the role of leadership, innovation, and strategic thinking in running a successful business.

Dr. Suri covered several essential topics, including:

- Identifying Business Opportunities: Participants learned how to evaluate market opportunities, conduct feasibility studies, and identify niches for business success.

- **Business Planning:** The session focused on the importance of a sound business plan, including goal-setting, resource management, and financial planning.
- **Entrepreneurial Leadership:** Dr. Suri shared strategies for developing leadership qualities that are essential for leading teams, managing resources, and making business decisions.
- **Challenges in Entrepreneurship:** The session also included discussions on the common challenges faced by entrepreneurs, such as funding, market competition, and resource allocation, and how to overcome these hurdles.

The workshop was highly interactive, with participants engaging in discussions and sharing their thoughts on various entrepreneurial concepts. Dr. Suri used case studies of successful entrepreneurs and businesses to illustrate how the concepts could be practically applied.

Attendance

A total of 73 students attended the workshop, including students from various departments with an interest in entrepreneurship and business leadership. The participants were actively involved in the workshop activities, asking questions and engaging in discussions related to their own entrepreneurial aspirations.

Conclusion

The “From Classroom to Boardroom: Preparing Future Entrepreneurs” workshop was successfully conducted with a total of 79 students attending the event. Dr. Gunmala Suri’s expertise and practical insights into entrepreneurship provided participants with a deeper understanding of how to transition from academic learning to real-world business leadership.

The workshop proved to be an essential learning experience for students, providing them with the tools and strategies required to develop their entrepreneurial skills and pursue business ventures confidently. The feedback from the students was positive, highlighting the practical relevance of the workshop and its value for aspiring entrepreneurs.

DETAILED REPORT

"Understanding Intellectual Property Rights: Basics and Benefits" Seminar

Date: March 10, 2025

Venue: Auditorium

Time: 9:00 AM onwards

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) organized a seminar on "Understanding Intellectual Property Rights: Basics and Benefits" on March 10, 2025. The seminar aimed to provide participants with an in-depth understanding of the fundamental concepts of Intellectual Property Rights (IPR) and their growing significance in the fields of innovation, research, and business.

Resource Person

The seminar was led by Dr. Karminder Ghuman, Associate Professor at the L.M. Thapar School of Management. Dr. Ghuman is an expert in the domain of Intellectual Property Rights and has a wealth of experience in teaching and research related to IPR. Her session provided valuable insights into the importance of protecting intellectual property and its implications for businesses, researchers, and innovators.

Objectives of the Seminar

The key objectives of the seminar were to:

- Educate students about the basics of Intellectual Property Rights (IPR), including patents, copyrights, trademarks, and trade secrets.
- Highlight the importance of IPR in promoting innovation, ensuring fair competition, and protecting the interests of creators and innovators.
- Discuss the legal aspects of IPR and how businesses can effectively use intellectual property to gain a competitive advantage.
- Provide practical guidance on how to protect and commercialize intellectual property.

Sessions and Activities

The seminar commenced at 9:00 AM in the GJIMT Auditorium, with an introduction to the significance of IPR in today's competitive world. Dr. Ghuman explained how IPR supports creativity and innovation, and its role in protecting the rights of creators in various sectors, including technology, pharmaceuticals, entertainment, and fashion.

The key topics covered during the seminar included:

- Introduction to IPR: Dr. Ghuman explained the different types of intellectual property—patents, copyrights, trademarks, and trade secrets—along with their

definitions, features, and the processes involved in obtaining and enforcing these rights.

- **Importance of IPR in Innovation and Research:** The session highlighted how IPR encourages new ideas and innovations by ensuring creators are rewarded for their work. Dr. Ghuman emphasized the connection between intellectual property protection and the advancement of technology, science, and research.
- **IPR in Business:** Dr. Ghuman elaborated on the role of intellectual property in the business world, explaining how it can be a key asset for companies. She discussed ways businesses can use IPR to safeguard their products and services and create a competitive edge in the market.
- **Legal Aspects of IPR:** The session covered the legal framework for intellectual property protection in India and abroad, along with important laws, rules, and regulations that govern IPR. Dr. Ghuman provided case studies of businesses that successfully used IPR to protect their innovations.

Dr. Ghuman also discussed practical considerations for IPR registration and the challenges faced by businesses in managing their intellectual assets.

Attendance

The seminar was attended by 83 students, who actively participated in the discussions and asked insightful questions. The students, mostly from business and management backgrounds, expressed a keen interest in the role of intellectual property in their academic pursuits and future careers in business.

Conclusion

The “Understanding Intellectual Property Rights: Basics and Benefits” seminar was a success, with 83 students attending the session. Dr. Karminder Ghuman’s expertise in Intellectual Property Rights provided the students with a deeper understanding of the importance of protecting intellectual property in fostering innovation, research, and business development.

The seminar was well-received by the students, who gained valuable insights into the practical application of IPR in various industries. It was a highly informative session that empowered students with knowledge about safeguarding their ideas and creations, which is vital in today’s competitive global economy.

Dear Dr. Singh,

Subject: Invitation to be a Resource Person at the Workshop on Bibliometric Analysis

I hope this letter finds you in good health and spirits.

On behalf of the organizing committee, I am delighted to extend an invitation to you to serve as a resource person at our upcoming Workshop on Bibliometric Analysis scheduled for 10th April 2025 at Gian Jyoti Institute of Management and Technology (GJIMT).

Bibliometric analysis plays a pivotal role in assessing research trends, measuring academic productivity, and guiding future research directions. With your expertise in this field, we believe your participation would greatly enhance the value of this workshop. We are confident that your insights and practical experience will inspire and educate our attendees, helping them to better understand the importance and methodologies of bibliometric research.

We would be honored to have you as a distinguished resource person at this event. Kindly let us know if you require any further details or assistance regarding the workshop.

We look forward to your positive response and hope to welcome you to the workshop.

Thank you for considering our invitation.

Warm regards,

Dr. Aneet Bedi

DETAILED REPORT

Workshop on Bibliometric Analysis

Date: April 10, 2025

Venue: Conference Room

Time: 9:00 AM onwards

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) organized a Workshop on Bibliometric Analysis on April 10, 2025. The objective of this workshop was to provide participants with the knowledge and tools required to effectively analyze research trends, assess scientific impact, and utilize bibliometric tools to gain valuable insights into academic publications.

Resource Person

The workshop was conducted by Dr. Tejinderpal Singh, Associate Professor at the University Business School (UBS), Panjab University. Dr. Singh is an expert in bibliometric analysis and has extensive experience in research methodologies and data analysis techniques. His expertise in the field made him a valuable resource for the session, providing participants with a practical understanding of bibliometric techniques.

Objectives of the Workshop

The workshop aimed to:

- Introduce participants to bibliometric analysis and its relevance in academic research.
- Equip participants with the knowledge to use bibliometric tools to assess the impact of scientific publications and research trends.
- Demonstrate techniques for analyzing citation data, author productivity, journal rankings, and research collaborations.
- Enhance participants' skills in research evaluation and help them make informed decisions regarding their academic work.

Sessions and Activities

The workshop commenced at 9:00 AM with an introductory session by Dr. Tejinderpal Singh, who explained the importance of bibliometric analysis in evaluating research output, discovering emerging research trends, and understanding scientific impact.

Dr. Singh provided a detailed overview of the following key areas during the workshop:

- **Introduction to Bibliometric Analysis:** The session began with an introduction to bibliometrics, covering its definition, objectives, and the types of data typically analyzed, including citation counts, publication volumes, and collaboration patterns.

- **Bibliometric Tools and Techniques:** Dr. Singh introduced several popular bibliometric tools, such as **VOSviewer** and **BibExcel**, and demonstrated how to use them for mapping research fields, visualizing citation networks, and identifying influential publications.
- **Citation Analysis:** The workshop covered citation analysis methods used to assess the academic impact of articles, authors, and journals. Dr. Singh explained how citation counts and indices like the **H-index** can provide insights into the reach and influence of scholarly work.
- **Author and Journal Impact:** The session also focused on evaluating author productivity, journal rankings, and the impact factor. Dr. Singh discussed how bibliometric data can be used to identify leading authors in a field and top-ranking journals.
- **Practical Application of Bibliometric Tools:** Dr. Singh provided participants with hands-on experience in using bibliometric software to analyze real-world data and interpret bibliometric indicators. This segment allowed participants to practice applying the techniques to their own research areas.

The session concluded with a Q&A session, where Dr. Singh addressed the queries of the participants and provided additional insights into the practical applications of bibliometric analysis in their respective research fields.

Attendance

The workshop was attended by 27 students. The participants actively engaged in the session, posing insightful questions and contributing to discussions. Their enthusiasm and participation reflected a strong interest in the subject matter and a desire to enhance their research evaluation skills.

Conclusion

The Workshop on Bibliometric Analysis was successfully conducted on April 10, 2025, with the valuable guidance of Dr. Tejinderpal Singh. The session provided participants with a comprehensive understanding of bibliometric tools and techniques for analyzing research trends and assessing scientific impact. The workshop was beneficial for researchers, academicians, and scholars looking to enhance their research evaluation capabilities and make informed decisions based on bibliometric data.

The workshop concluded with positive feedback from the participants, who appreciated Dr. Singh's in-depth knowledge and practical demonstrations. This event has equipped the students with essential skills in bibliometric analysis, which will aid them in their future academic and research endeavors.

DETAILED REPORT

Workshop on "Startup Strategies: Developing a Viable Business Plan"

Date: May 13, 2025

Venue: Auditorium

Time: 9:00 AM - 4:00 PM

Introduction

Gian Jyoti Institute of Management and Technology (GJIMT) successfully organized a workshop on "Startup Strategies: Developing a Viable Business Plan" on May 13, 2025. The workshop aimed to provide aspiring entrepreneurs, students, and professionals with critical insights into the process of creating a sustainable and scalable business plan. The event was designed to equip participants with the tools necessary to transform their business ideas into successful ventures.

Resource Person

The workshop was conducted by Dr. Monica Bedi, Associate Professor at the University Business School (UBS), Panjab University. Dr. Bedi is a seasoned academic with extensive experience in entrepreneurship, business strategy, and startup development. Her expertise provided valuable knowledge and practical advice for the attendees who were eager to learn how to establish and grow successful startups.

Objectives of the Workshop

The primary objectives of the workshop were:

- To provide participants with an understanding of the key components of a business plan, including market analysis, financial planning, and operations management.
- To explore startup strategies for developing a sustainable and scalable business model.
- To introduce participants to the tools and techniques used by successful entrepreneurs to create and refine their business plans.
- To provide practical insights into the fundraising process, including pitching to investors and seeking venture capital.

Sessions and Activities

The workshop began promptly at 9:00 AM, with Dr. Monica Bedi welcoming the participants and providing an overview of the day's sessions. The content of the workshop was structured into various modules, each designed to cover a crucial aspect of startup planning and development.

Dr. Bedi's session focused on the following key areas:

1. **Understanding Startup Ecosystem and Market Research:** Dr. Bedi began by emphasizing the importance of understanding the **startup ecosystem** and conducting

thorough market research. She explained how market research helps entrepreneurs identify opportunities, understand customer needs, and assess the competitive landscape.

2. **Developing a Business Idea and Value Proposition:** The session moved forward with Dr. Bedi discussing the process of transforming an idea into a business. She elaborated on the value proposition concept, helping participants understand how to position their product or service to meet customer demands.
3. **Key Components of a Business Plan:** Dr. Bedi provided a detailed walkthrough of a business plan, explaining the key components, such as:
 - Executive Summary
 - Business Description
 - Market and Competitive Analysis
 - Marketing and Sales Strategy
 - Financial Projections and Funding Requirements

The session included real-life examples of successful business plans and their importance in securing investment and guiding the growth of a startup.

4. **Financial Planning for Startups:** Financial planning is crucial for any startup, and Dr. Bedi dedicated a portion of the workshop to explain cash flow management, budgeting, and profitability analysis. She introduced tools and methods for creating financial projections, including break-even analysis and profitability forecasts.
5. **Pitching to Investors:** Dr. Bedi concluded the workshop with a session on fundraising strategies. She provided insights into how startups can successfully pitch their business plans to investors, focusing on creating an impactful elevator pitch and understanding what investors look for when evaluating a business proposal.

Interactive Session

Following Dr. Bedi's presentation, an interactive session was held, allowing participants to ask questions, clarify doubts, and discuss their business ideas. Several students actively participated, presenting their startup concepts and receiving feedback from Dr. Bedi on how to refine their business plans. This session was well-received, as it provided practical and actionable advice for the participants.

Attendance

The workshop was attended by 69 students, primarily from the fields of business, management, and entrepreneurship. The session was highly interactive, with many students engaging in discussions and seeking personalized advice on their business ideas.

Conclusion

The workshop on "Startup Strategies: Developing a Viable Business Plan" was successfully conducted on May 13, 2025, with Dr. Monica Bedi providing insightful guidance to the participants. The workshop was designed to help aspiring entrepreneurs and students understand the fundamental strategies required to build and sustain a successful startup.

The feedback from the participants was overwhelmingly positive, with many highlighting the practical tips on market research, business planning, and pitching to investors as particularly valuable. This workshop has equipped the attendees with the essential tools and knowledge to kickstart their entrepreneurial journeys.
