National News – India's Progress in Renewable Energy

India has crossed a major milestone by generating 50% of its total power from renewable sources such as solar and wind energy. The government's "Green India Mission" has led to the establishment of new solar parks in Rajasthan and Gujarat, while Punjab plans to introduce rooftop solar schemes for students and small businesses.

India's Women Cricket Team Triumphs in Asia Cup

The Indian Women's Cricket Team made the nation proud by winning the Women's T20 Asia Cup 2025, defeating Sri Lanka in the final by seven wickets. Captain Harmanpreet Kaur led with a brilliant half-century, and the team's all-round performance inspired countless young girls across India to dream big and pursue their passion for cricket.

FUN CORNER

* BRAIN TEASER

1. Two fathers and two sons go fishing, but each person catches one fish and there are only three fish caught. How is this possible?

2. If five cats can catch five mice in five minutes, how many cats are needed to catch 100 mice in 100 minutes?

3. Take away my first letter and I still sound the same. Take away my last letter and I still sound the same. Even take away my middle letter and I will still sound the same. What am I?

* FACT OF THE WEEK:

Hot water freezes faster than cold water (The Mpemba Effect – a fascinating mystery still being studied by scientists.)

* WORD OF THE MONTH:

Resilience – the ability to recover quickly from difficulties.

* WORD OF THE MONTH:

"You don't have to be great to start, but you have to start to be great." – Zig Ziglar

1. three people (grandfather, father, son)
2. five cats & 3. empty

Spirit of Humanity Shines Bright at GJIMT

A Mega Blood Donation Camp was successfully organized at Gian Jyoti Institute of Management and Technology (GJIMT), Mohali, in collaboration with the Post Graduate Institute of Medical Education and Research (PGI), Chandigarh.

The event saw enthusiastic participation from students, faculty, and staff, who came forward to contribute to this noble cause. The camp was graced by Hon'ble Guests Sh. Randeep Batta and Capt. Mantej Singh Cheema, whose presence inspired and motivated the donors.

Chairman Sh. J. S. Bedi and Director Dr. Aneet Bedi appreciated the spirit of volunteerism among students and emphasized the importance of community service. The camp reflected GJIMT's ongoing commitment to social responsibility and humanitarian values.

BREAST CANCER AWARENESS CAMP HELD AT GJIMT

The Gian Jyoti Institute of Management and Technology (GJIMT) joined hands with local organizations to support a Motorcycle Awareness Rally held across Mohali, spreading the message – "Early Detection Saves Lives."

More than 40 riders participated in the rally, encouraging women to practice regular self-checks and stay informed about breast health. The initiative continued on campus with a Breast Cancer Awareness & Screening Camp, organized in collaboration with Sohana Hospital, where 79 women underwent screening and received guidance on early detection.

The event reflected GJIMT's ongoing commitment to social responsibility, community care, and women's well-being.

Exam Reminder: PTU Finals from November 17

The PTU Final Examinations for all programs at GJIMT are scheduled to begin from November 17, 2025. Students across all departments are gearing up for their finals with focus and determination.

Here are a few quick success tips:

- Revise key topics and class notes regularly.
- Manage your study time effectively balance all subjects.
- Eat healthy and stay hydrated.
- Keep calm and maintain a positive mindset.
- Check your exam schedule and arrive early to avoid stress.

"Hard work beats talent when talent doesn't work hard."

AI Transparency: New Rules for Synthetic Media in India

INDIA'S NEW IT RULES ON AI CONTENT

DEEPIKE LABELING BECOMES MANDATORY

The Ministry of Electronics and Information Technology (MeitY) in India has proposed significant amendments to the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021 ("IT Rules 2021") to regulate content created or modified by artificial intelligence – often called "deepfakes" or synthetic media. The draft is open for stakeholder feedback until November 6, 2025.
