**DIRECTOR**

## ANNUAL REPORT OF THE INTERNAL COMPLAINTS COMMITTEE (ICC)

**Academic Year: 2024–25**

### 1. Introduction

In compliance with the *Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013* and UGC/AICTE guidelines, the Internal Complaints Committee (ICC) of Gian Jyoti Institute of Management and Technology has been constituted to prevent and address any complaints related to sexual harassment and to ensure a safe and respectful environment for all students and staff.

### 2. Functioning of the Committee

The ICC ensures:

- Awareness through orientation programs, posters, and notices
- Display of ICC contact details on campus
- Regular monitoring of complaint mechanisms
- Confidential and sensitive handling of any reported cases

### 3. Meetings Held

Meetings were scheduled periodically to review the functioning of the ICC.

Meeting Notes:

- No formal hearings were required
- No complaints were received
- Preventive and sensitization activities were discussed

### 4. Complaints Received

For the academic year 2024-25, the ICC reports:

- **Total complaints received: 0**
- **Total complaints disposed: 0**
- **Pending complaints: 0**

No complaints of sexual harassment were reported by any student, faculty member, or staff during the period.

## 5. Preventive Measures Taken

- Awareness of the *POSH Act, 2013* was disseminated to students and staff.
- ICC details were displayed on the website and notice boards.
- Faculty and administrative staff were sensitized regarding gender equity and safe workplace policies.

## 6. Conclusion

The Internal Complaints Committee submits that no complaints related to sexual harassment were received during the academic year 2024–25.

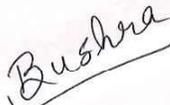

The institution continues to maintain a safe, inclusive, and respectful working and learning environment.

Date: 04.09.2025

### OFFICE ORDER

#### Constitution of SC/ST Committee for Academic Year 2025–26

As per the guidelines of the University Grants Commission (UGC) for the prevention of discrimination and for safeguarding the interests of students belonging to the Scheduled Castes (SC) and Scheduled Tribes (ST), the SC/ST Committee is hereby constituted at Gian Jyoti Institute of Management and Technology (GJIMT) for the Academic Year 2025–26.

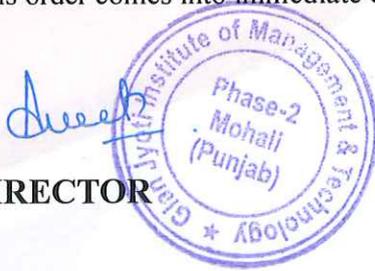

The Committee shall ensure that no student belonging to SC/ST categories is subjected to any form of discrimination. It shall also address grievances, monitor welfare-related matters, and recommend appropriate measures for academic and social support.

The details of the committee are as under:

Name	Designation	Associated with	Mobile Number	Email Address
Dr. Aneet Bedi	Chairperson	GJIMT	9814744642	aneet@gjimt.ac.in
Prof. Gurdeepak Singh	Member	GJIMT	9988855667	gsinghgjimt@gmail.com
Dr. Neeraj Sharma	Member	GJIMT	9814837880	nrjsharma@yahoo.com
Ms. Jyoti	Member	GJIMT	8054440384	jyotisgjimt@gmail.com
Mr. Vivek Sharma	Member	GJIMT	8360620756	yvkgjimt@gmail.com
Mr. Aakash Rawth	Student	GJIMT	6239139822	aakash.rawth.gjimt@gmail.com
Ms. Muskan	Student	GJIMT	9877187819	muskan2210004@gmail.com
Mr. Dhruv	Student	GJIMT	7009287393	adruvra0016@gmail.com

This order comes into immediate effect and remains valid until further notification.

# MEMORANDUM OF UNDERSTANDING (MOU)

**BETWEEN**

**Gian Jyoti Institute of Management &  
Technology**

**&**

**A2it Technologies, Mohali**

## MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 16<sup>th</sup> day of -October - Two Thousand Twenty Four (16<sup>th</sup>-October-2024),

### **BETWEEN**

**Gian Jyoti Institute of Management & Technology**, the First Party represented herein by its Director **Dr. Aneet Bedi**(herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

**A2it Technologies**, the **Second Party**, and represented herein by its Director, Mr. Balbir Singh (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **A2it Technologies**, the Second Party is engaged in Customized software development, Skill Development, Education and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the

- 2.4 First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.5 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.6 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.7 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.8 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

# **MEMORANDUM OF UNDERSTANDING (MOU)**

**BETWEEN**

**Gian Jyoti Institute of Management &  
Technology**

**&**

**Aiinfox**

## MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 20th day of –June – Two Thousand Twenty Five (**20<sup>th</sup>** -June-2025),

### **BETWEEN**

**Gian Jyoti Institute of Management & Technology, the First Party** represented herein by its Director **Dr. Aneet Bedi**(herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Aiinfox, the Second Party**, and represented herein by its Chief Operating officer, **Mr. Varun Thakur** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **Aiinfox**, the Second Party is engaged in Customized Software Development, Skill Development, Education & Research.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 First Party is Using Logo of Second Party in conjunction with the logo of another company for promotional activities.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs /Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and Placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

### CLAUSE 3: INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid till 5 years from the date of MOU, as expressly terminated by either Party on mutually agreed terms in writing.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

### CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **DigiTech Call System Pvt Ltd.**, the Second Party is engaged in Skill Development & Education.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 First Party is Using Logo of Second Party in conjunction with the logo of another company for promotional activities.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs /Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and Placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

### CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid till 5 years from the date of MOU, as expressly terminated by either Party on mutually agreed terms in writing.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

### CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 07<sup>th</sup> day of –March – Two Thousand Twenty-Five (07<sup>th</sup>- March-2025),

### BETWEEN

**Gian Jyoti Institute of Management & Technology, the First Party** represented herein by its Director **Dr. Aneet Bedi**(herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Alpha IT Managed Services, the Second Party**, and represented herein by its Manager, **Mr. Pankaj Sharma** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### WHEREAS:

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **Alpha IT Managed Services**, the Second Party is engaged in Customized software development, Skill Development, Education and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

### **CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE 2: SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.3 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.

2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.9 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

### **CLAUSE 3: INTELLECTUAL PROPERTY**

3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

**CLAUSE 4: VALIDITY**

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms in writing.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

**CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

# **MEMORANDUM OF UNDERSTANDING (MoU)**

**BETWEEN**

**Gian Jyoti Institute of Management and  
Technology (GJIMT)**

**&**

**Keka Technologies Private Limited**

## MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on 20/02/2025.

### BY AND BETWEEN

**Gian Jyoti Institute of Management and Technology (First Party)**, represented herein by its Director **Dr. Aneet Bedi** having its campus at Phase 2, Mohali, Sector 54, Chandigarh 160055 (herein after referred as 'GJIMT', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Keka Technologies Private Limited (Second Party)**, and represented herein by Finance Head, **Ms. Ruchita Ruchi** having its place of business at 12th Floor, Survey no. 17, Vasavi Shalom Sky City, Gachibowli, K.V. Rangareddy, Seri Lingampally, Telangana 500032 (hereinafter referred to as "Keka", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(GJIMT First Party and Keka Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### WHEREAS:

- A. The first Party is a Higher Educational Institution., approved by AICTE and affiliated to IKGPTU, Jalandhar.
- B. Keka is engaged in the business of providing end-to-end human resource solutions as software to its clients. Keka aims to empower human resource students in pursuing careers in HR management. To this end, it has established 'Keka Academy,' a hands-on learning platform for postgraduate students. Keka has developed an educational curriculum in the form of skills enhancement programs for HR aspirants through 'Keka Academy' for self-paced online courses for a complete overview of robust HR practices.
- C. In this regard, Keka and GJIMT seek to collaborate to deliver mutually agreed curriculum through 'Keka Academy', with the goal of developing world-class HR professionals and providing students a platform for career growth in human resource management ("Purpose").
- D. GJIMT & Keka believe that collaboration and co-operation between the parties will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- E. The Parties intend to cooperate and focus their efforts on cooperation within the area of Skill Based Training, Education and Research. Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interest.
- F. Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.
- G. The Parties now intend to enter this MoU on a non-exclusive basis to set out the terms and conditions governing the engagement between the Parties.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERETO AGREE AS FOLLOWS:

### CLAUSE 1: CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be

mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## **CLAUSE 2: SCOPE OF THE MoU**

- 2.1 **Curriculum Design:** Keka will deliver a curriculum through 'Keka to the GJIMT so that the students fit into the industrial scenario meaningfully.
- 2.2 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management**.
- 2.3 **Guest Lectures:** Keka to extend the necessary support to deliver virtual guest lecturers to the students of the GJIMT on the technology trends and in house requirements.
- 2.4 **Faculty Development Programs:** Keka to train the Faculties of GJIMT for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.6 There is no financial commitment on the part of GJIMT, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

## **CLAUSE 3: INTELLECTUAL PROPERTY**

Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

## **CLAUSE 4: CONFIDENTIALITY:**

- 4.1 Parties acknowledge that for the purposes of this MoU, Confidential Information (as defined below) may be exchanged between the Parties.
- 4.2 The Parties will be sharing information with each other in the capacity of "**Recipient**" and the "**Disclosing Party**" to fulfil the purposes of this MoU.
- 4.3 For the purposes of this MoU, "**Confidential Information**" shall include (i) any and all information or data or material that has or could have commercial value or other utility in the business or prospective business of the Disclosing Party disclosed at any time, before or after the Effective Date, by the Disclosing Party or any of its representative to the Recipient or any of its representatives in connection with the Purpose or (ii) any and all information or material disclosed by the Disclosing Party or any of its representatives to the Recipient in the course of the Parties evaluation of a potential transaction, together with all communications, data, reports, analyses, compilations, records, or other materials or information prepared by the Recipient or any of its representatives that contain or otherwise reflect or are based upon any Confidential Information of the Disclosing Party.
- 4.4 (a) Each Party agrees to maintain the confidentiality of the other Party's Confidential Information using at a minimum the same degree of care it uses to protect its own information, but no less than reasonable care. (b) Either Party may disclose Confidential Information to its employees, agents, affiliates, advisors, contractors, and service providers (including third-party submission tools or online portal providers) on a need-to-know basis, provided such recipients are bound by confidentiality obligations that are at least as restrictive as those set forth in this section ("Representatives") (c) If required by law, the Receiving Party may disclose Confidential Information after providing reasonable notice to the Disclosing Party (unless prohibited by law) and seek protective measures. (d) The Receiving Party shall not use Confidential Information except as necessary to perform its obligations or exercise its rights under this Agreement. Any disclosure of confidential information beyond the aforementioned parties shall require prior consent of the other party.

- 4.5 Parties agree that the Confidential Information shall not be used for any purpose other than for the Purpose of this MoU. The Recipient also agrees that Confidential Information shall not be decompiled, disassembled, decoded, reproduced, redesigned, reverse engineered or manufactured without the express written consent of the Disclosing Party. Further, the Recipient agrees and acknowledges that the title to the Confidential Information shall, at all times, remain solely with the Disclosing Party. In the event of termination or expiration of this MoU, Recipient shall return or destroy, as per the directions of the Disclosing Party, all documents, notes, materials, content, including but not limited to Confidential Information exchanged, and shall also provide to the Disclosing Party in writing of such destruction if required by the Disclosing Party.

#### **CLAUSE 5: REPRESENTATIONS AND WARRANTIES**

Each Party hereby represent and warrant that:

- a) It has the full power, right and authority to execute this MoU and perform its obligations;
- b) It has obtained all necessary approvals, consents, sanctions or authorizations required to enter into and perform this MoU and no other approvals, consents, sanctions or authorizations of any regulatory authority or any other person are required to be obtained by it for the execution, delivery and performance of this MoU;
- c) The execution, delivery and performance of this MoU does not constitute a breach of applicable laws, its charter documents or any agreement, arrangement or understanding, oral or written, entered into by it with any third party;
- d) It has executed and delivered this MoU as its free and voluntary act after having determined that the provisions contained herein are of benefit to each Party and that the duties and obligations imposed on the Parties are fair and reasonable;
- e) It shall not do, cause, or authorize to be done anything, which will or may impair, damage or be detrimental to the rights, reputation and goodwill associated with the other Party, business of the other Party and/or the intellectual property rights of the other Party.

#### **CLAUSE 6: LIMITATION OF LIABILITY**

Either party shall not be liable with respect to any subject matter of this MoU under any contract, negligence, strict liability or other theory for any indirect, incidental, special, exemplary or consequential damages, including without limitation, any loss of revenues or profits. Notwithstanding anything to the contrary, all Confidential Information (including without limitation, the educational curriculum provided by Keka), including sample materials, are provided on an "as is" basis.

#### **CLAUSE 7: WARRANTY DISCLAIMER**

Either party hereby disclaims all warranties, whether express or implied, including, without limitation, any warranties of non-infringement, accuracy or completeness, merchantability or fitness for any particular purpose.

#### **CLAUSE 8: TERM & TERMINATION**

This MoU shall come into force and become effective from Effective Date until it is expressly terminated by either Party on mutually agreed terms. The Term of this MoU may be further extended by the Parties in writing. Further, either Party may terminate this MoU at any time, for any reason, by providing a prior written notice of 60 days to the other Party. In the event of Termination, both parties have to discharge their obligations.

#### **CLAUSE 9: ASSIGNMENT**

Both parties hereby agree and acknowledge that they won't assign each other's rights, interests, and

## MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 9<sup>th</sup> day of –June – Two Thousand Twenty Four (9<sup>th</sup>- June-2025),,

### **BETWEEN**

**Gian Jyoti Institute of Management & Technology, the First Party** represented herein by its Director **Dr. Aneet Bedi**(herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Metrocraft, the Second Party**, and represented herein by its Quality Head, **Dr. Ramesh Prashar** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **Metrocraft**, the Second Party is engaged in Pharma Industry, Skill Development and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 First Party is Using Logo of Second Party in conjunction with the logo of another company for promotional activities.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs /Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and Placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

### CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid till 5 years from the date of MOU, as expressly terminated by either Party on mutually agreed terms in writing.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

### CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

# MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

**Gian Jyoti Institute of Management &  
Technology**

&

**Pisoft Informatics Pvt Ltd**

## MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 22<sup>nd</sup> day of –May – Two Thousand Twenty Five (22<sup>nd</sup> -May-2025),

### **BETWEEN**

**Gian Jyoti Institute of Management & Technology, the First Party** represented herein by its Director **Dr. Aneet Bedi**(herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Pisoft Informatics Pvt Ltd, the Second Party**, and represented herein by its Vice President, Mr. Harish Chawla (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **Pisoft Informatics Pvt Ltd**, the Second Party is engaged in Customized software development, Skill Development and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 First Party is Using Logo of Second Party in conjunction with the logo of another company for promotional activities.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs /Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and Placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

### CLAUSE 3: INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4: VALIDITY

- 4.1 This Agreement will be valid till 5 years from the date of MOU, as expressly terminated by either Party on mutually agreed terms in writing.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

### CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

**Gian Jyoti Institute of Management & Technology, the First Party** represented herein by its Director **Dr. Aneet Bedi** (herein after referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

**Sunfocus Solutions Pvt. Ltd., the Second Party**, and represented herein by its Head of the Training Department, **Mrs. Damanpreet Kaur** (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

### **WHEREAS:**

- A) First Party is a Higher Educational Institution named **Gian Jyoti Institute of Management & Technology**
- B) **Sunfocus Solutions Pvt. Ltd.**, the Second Party is engaged in Customized software development, Skill Development, Education and R&D Services.
- C) First Party & Second Party believe that collaboration and co-operation between the two parties will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL INTERESTS SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

**CLAUSE 1: CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations in the related areas. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in delivering necessary skills to the students keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 First Party is Using Logo of Second Party in conjunction with the logo of another company for promotional activities.

**CLAUSE 2: SCOPE OF THE MOU**

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs /Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and Placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Management and Technology**.
- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the College, the First Party to take up any program mentioned in the MOU. If there is any financial consideration, it will be dealt separately & mutually agreed upon in writing.

**CLAUSE 3: INTELLECTUAL PROPERTY**

3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

**CLAUSE 4: VALIDITY**

4.1 This Agreement will be valid till 5 years from the date of MOU, as expressly terminated by either Party on mutually agreed terms in writing.  
4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations during the notice period.

**CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
