# ABOUT MBA

## (2 Years Regular Course)

Whether your goal is launching your own start-up, gaining the upper edge in a competitive job market, increasing your salary or climbing the business ladder, a Master of Business Administration (MBA) from GJIMT provides you the real-life and theoretical knowledge needed to become the master of your own future in business. GJIMT's MBA creates leaders and managers, capable of meeting current market challenges. The program focuses on decision making in uncertain environments, interpersonal and communication skills, ethics and social responsibility, and globalization. The Program allows our students to graduate with specialized expertise on how the digital and technological landscape is driving everything from organizational behaviour to industry, exploring phenomena like surveillance capitalism and digital media management.

# CURRICULUM IN DETAIL

*This Mba Program Starts By Grounding Students In Key Business Concepts.*

## SEMESTER 1

*A deep dive into the fundamentals from Managerial Economics and Quantitative Techniques to Business Ethics and CSR. Each course is designed to provide comprehensive understanding of the modern business environment.*

## SEMESTER 2

*Progresses into more specialized areas such as Marketing Management, Business Analytics for Decision Making, and Legal Environment for Business. It also introduces subjects like Human Resource Management and Corporate Finance, offering a broader view of the business world.*

## SEMESTER 3

*The focus shifts to applied learning with courses in Organizational Behaviour & Design and Marketing Research, supplemented by electives in areas like Marketing, Finance, Human Resources and Business Analytics. It also includes unique courses on Human Values and Deaddiction, enriching the ethical and humanistic aspects of business education.*

## SEMESTER 4

*Culminates the program with advanced specialization electives, allowing students to delve deeper into areas like Corporate Strategy, Marketing, Finance, Human Resource Management, MIS, Operations Management, and Business Analytics. This final semester is not just about knowledge but also about applying it through a comprehensive Project/Dissertation, rounded off with a Workshop on Indian Ethos. This carefully structured curriculum ensures that graduates emerge as well-rounded, industry-ready professionals, capable of navigating complex business environments.*

## A REVISIT TO OUR TOP-TIER PLACEMENT RECORDS

As we reflect on the placement outcomes of our recent MBA batch, the data showcases the diverse career opportunities our students have secured across various industries and roles. Our robust curriculum, strong industry linkages, and continuous skill development initiatives have been instrumental in shaping these successful professional journeys.

## DISTRIBUTION ON THE BASIS OF SPECIALIZATION

The MBA program offers students the flexibility to pursue a dual specialization in alignment with their career objectives and areas of interest. By providing specializations in Human Resource Management, Marketing, Business Analytics, and Finance, the program facilitates the development of a comprehensive knowledge base and advanced competencies across two distinct domains, thereby enhancing professional versatility and career preparedness.
